

Online Meeting Management System

Prepared by

Muhammed Samsuddoha Alam

Assistant Professor

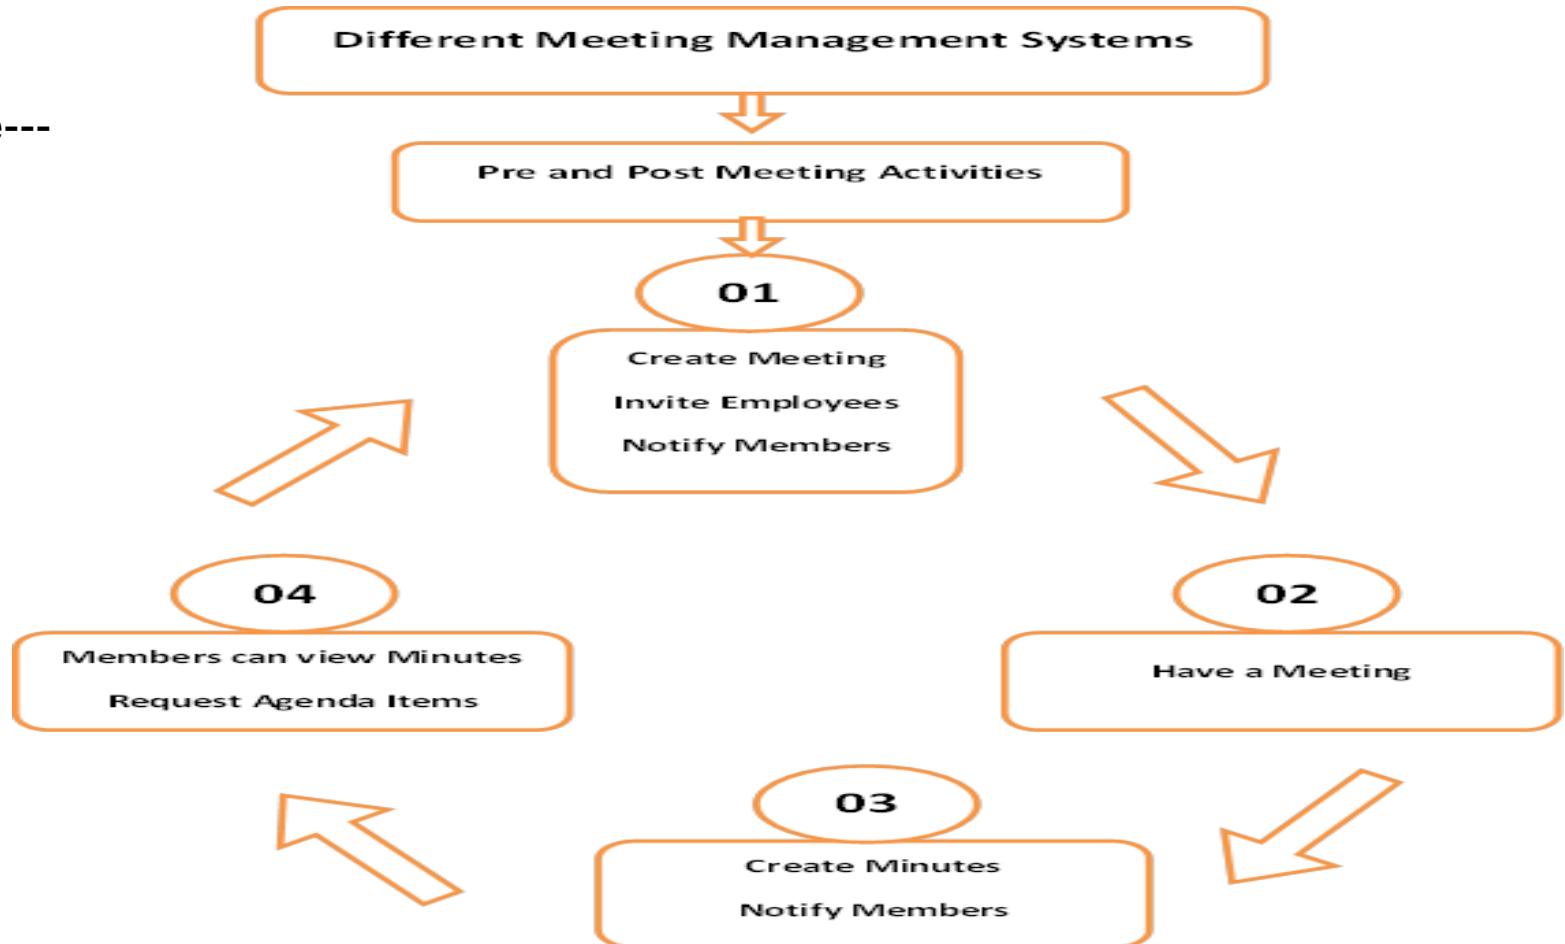

Department of Computer Science & Engineering
Northern University Bangladesh

Concept

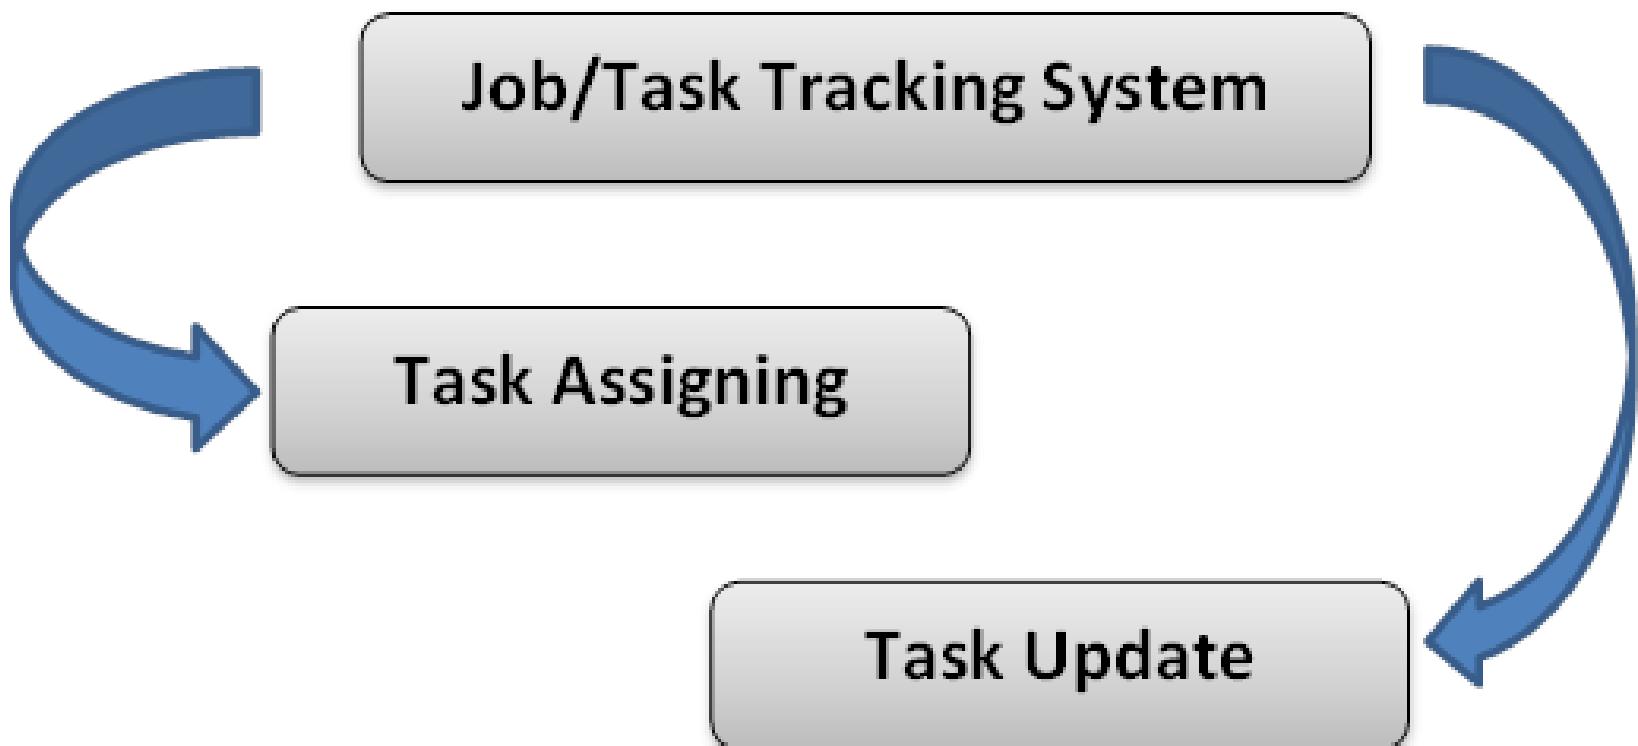

Organize a meeting and keep a track of meeting agendas and the completion of tasks assigned during the meetings. Development of completion of tasks will be available for follow up in subsequent meetings. The software will be web-based so that any company can open an account and use the software to benefit.

Background Study

We Have---

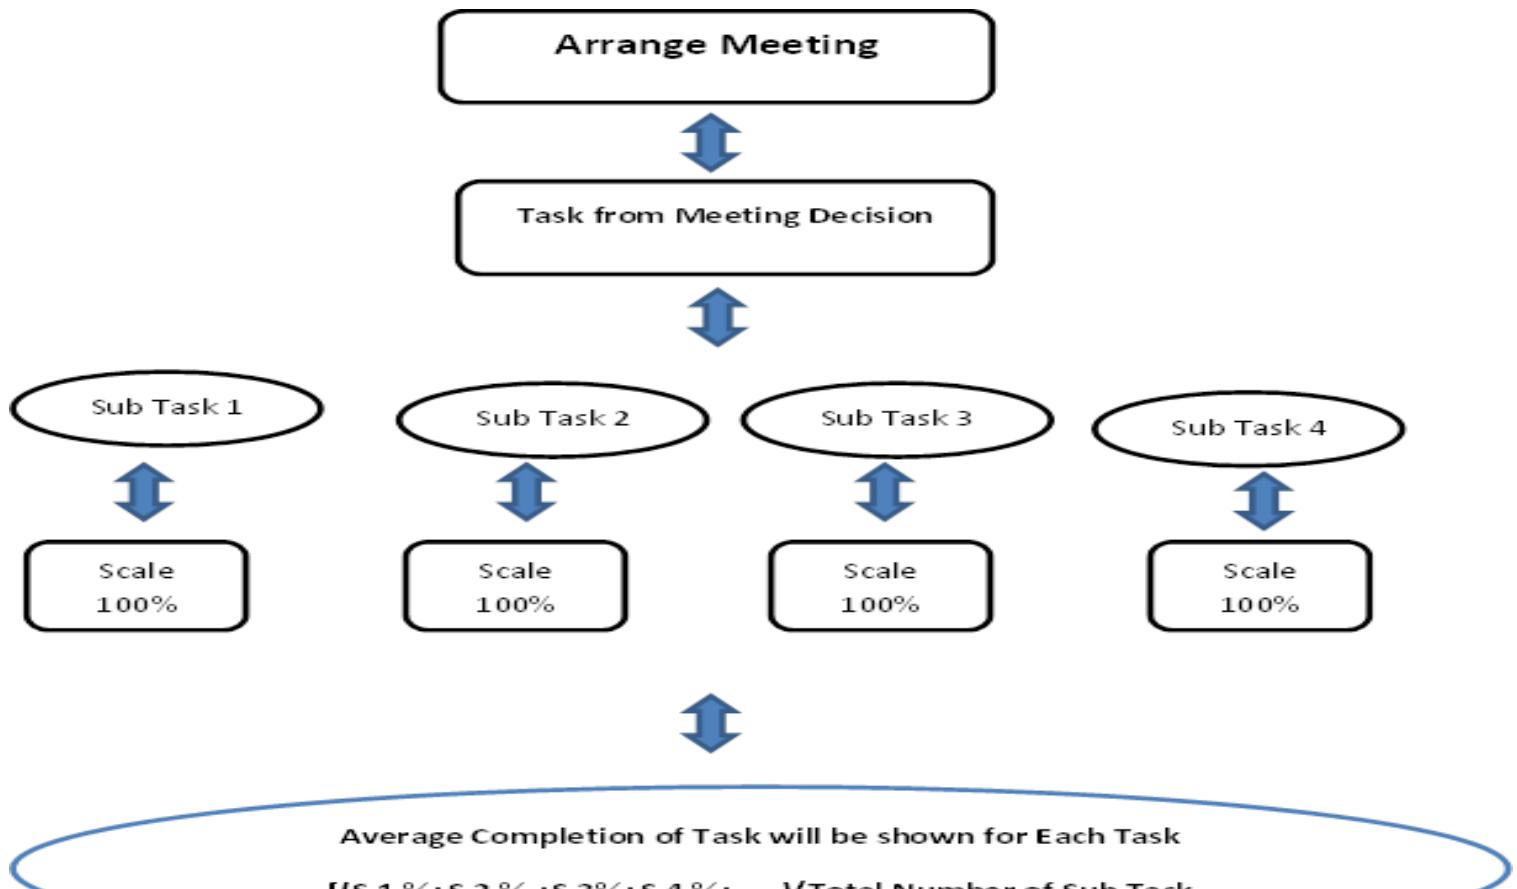

Background Study (Cont..)

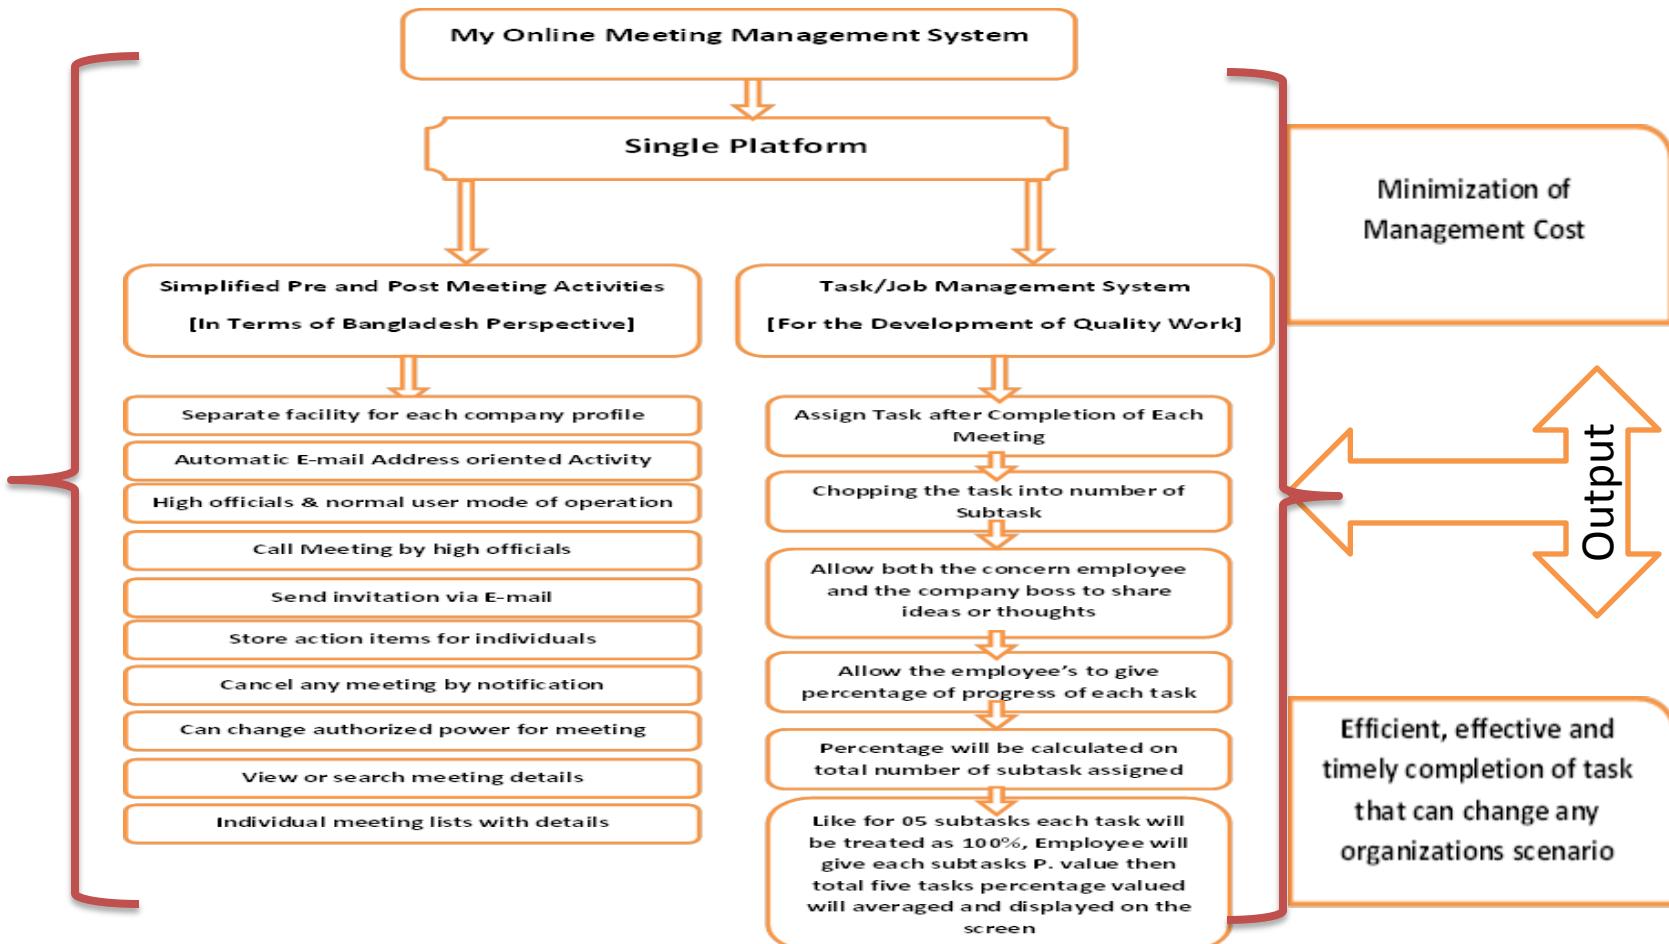

Idea

- It shows that only decision making is not important through meeting or else.
- So , I got the idea that I have to develop a system in a single platform where any company can arrange a meeting with all facility and after the decision the respective task will be assigned among the employees to overcome this kind of problem.
- By which the organization can take benefits.

Message received by Admin User

The screenshot shows a Gmail inbox interface. The top navigation bar includes links for Gmail, Calendar, Documents, Photos, Reader, Web, and more, along with the user's email address (dohasir4@gmail.com) and a gear icon for settings. Below the navigation is the Gmail logo and search bars for Mail and the Web. A banner at the top of the inbox area promotes a custom China tour.

The inbox list on the left shows categories: Mail, Contacts, Tasks, and a prominent 'Compose mail' button. The 'Inbox (81)' category is selected, displaying 81 messages. Other visible categories include Buzz, Starred, Important, Chats, Sent Mail, Drafts, All Mail, Spam (2), Trash, and More. The 'Chat' section shows a single contact, doah alam, who is available via http and can be called.

The main content area displays a single email message titled 'NEW COMPANY REGISTRATION'. The message is from 'info@rnibd.com' to the user. It was sent at 10:14 PM (0 minutes ago). The message body contains the following text:

Welcome to MMS!

Company Name : Bangladesh Soft Limited
User Id : dohasir4@gmail.com
Password : 17395

Below the message are 'Reply' and 'Forward' buttons, and a large empty text input field for composing a reply.

To the right of the message, there is a sidebar for the recipient 'info'. It shows the email address 'info@rnibd.com' and a set of small icons for messaging, email, and phone, with a 'Show details' link below them.
